- FUTURE WORK

What is done so far!

- Completed both the front-end and back-end development of the website.
- Currently in the process of adding products, including their details such as price and description.
- Domain has been purchased and is awaiting approval.
- Plans to upload the code upon completion.
- Payment for the hosting service has already been made.

Future work!

- Finish adding the products
- Search for more vendors
- launch the website for testing

Thanks!
